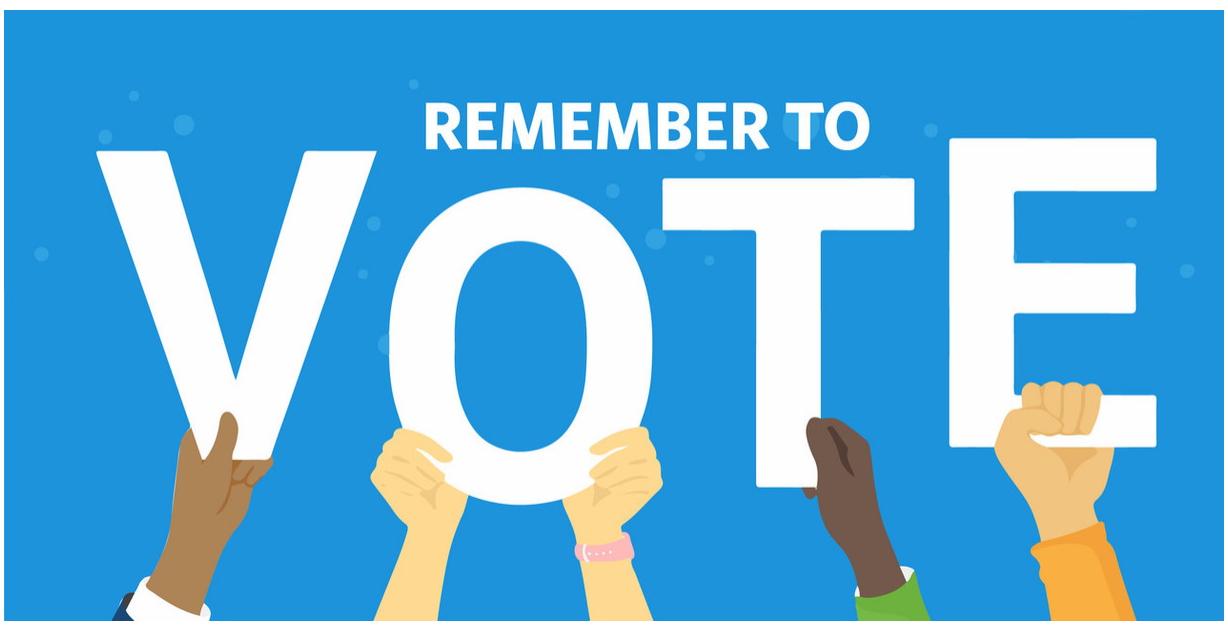
ERIE COUNTY REPUBLICAN COMMITTEE



Dear Friends,

It is becoming more obvious every day that good, Republican leadership is needed in government - now more than ever. President Trump and our Republican members in Congress have fought hard for stimulus money to support our families and businesses. **Our voice must be heard on the road to recovery – and that means sending President Trump's ally Chris Jacobs to Congress on June 23.**

Because of the current health-crisis, all voters are now allowed to vote by mail for the June 23rd election. Thanks to our great Election's Commissioner Ralph Mohr, voters have the access they need to apply for their ballot through the Erie County Board of Elections website. **Now it's up to us to make sure that every last supporter registers to vote absentee.**

Join me and register online to vote Chris Jacobs for Congress by absentee today: https://www.elections.erie.gov/absenteeapp

Best,
Chairman Karl Simmeth
