

2022 Spring Internship Program

Scheduling will be built around intern's availability, with opportunities to work between the hours of 9:00am and 8:00pm Monday-Saturday.

Interns will learn critical skills through hands-on campaigning for County and Local Office in Erie County and Western New York. Members of our program will be expected to exercise critical thinking, problem-solving, and communication as well as access networking opportunities. With critical, swing district elections in Erie County this year, interns will get real-world experience working directly with elected officials and Republican Party Leadership to jumpstart their political careers. Past interns have gone on to work in Albany, Washington, DC, and the private sector utilizing skills cultivated right here in Buffalo, NY.
